JAMES MYERS, Supt. PLAIR TALE .- If those of our patrons who owe us, and who know it, do not pay up beween now and the first of January, we shall d publication during our necessary abence, for the following two mouths. We are ined not to bornes money to pay hands to keep our paper going, when there is plenty due us for that purpose, and to spare. Those who find the amount of their indebtedness marked on the margin of the paper, will know what we expect of them; and those who do et, will know by the bills which have been them from one to half a dozen times. We mean business now.

EVIDENCE ACCUMULATES-That no Baking Porder can stand the test of a careful chemidal analysis like Dooley's Yeast Powder. Although subjected to the most critical analyzaclou, no ingredients could be found entering into the composition but such are perfectly pure and sutritious. This accounts for the cuthe and uniform satisfaction given by Dooley's Yeast Bowder in the culinary department. It is the cheapest, best, and most reliable Baking Powder known, and is recommended upon its merite alone. Your Grocer keeps it.

On Wednesday afternoon, a team at tached to a buggy containing a four-year-old, which had leen left standing in the street, started to run away; and had it not been for Dave Moore, who stopped them when under full headway, there would have been a good With Stock & Wagon Yard attached pening for the angels to exercise their calling a behalf of the youngster, in the manner related by the Pike County farmer of his "Lit- J. PRATERNAL VISIT.—The Oregon Lodge of Odd Fellows visited White Cloud Lodge, on Fashionable Tailor, last Saturday evening, and assisted them in their mysterious rites. We hear it hinted by those who belong up there, that they made the old Goat just get up and sling himself.

"IT It is a fact worthy of mention, that most of the fines of late collected in the Mayor's Court, have been from boys of from fourteen to eighteen years of age. When we see how boys are allowed to run, we are not surprised at this hopeful sign in the rising generation.

THAT GOBBLES .- Our friend Thomas Bred ley, of Brown County, has presented us with about the biggest turkey of the season. Bradley knows how to strike a fellow in the right spot in the stomach. We are all right for Christmas, any how.

THE OAK LEAF .- The genuine Charter Oak Stoves have an oak leaf on the side doors, and are stamped with the name of "Giles F. Filley, St. Louis." When buying one of them, therefore, look for these proofs of its genuineners and reject all that do not have them.

Inpants.-Much suffering to these tender Sitale buds of the human family might be allayed by using Mrs. Whitcomb's Syrup. See adnt in another column.

PoroLan-Itis asserted, and correctly so, that Dr. Henry's Root and Plant Fills are the most favorite family pitl in use. See advern24.

See advertisement of Dr. Butta' Disper sary, headed Book for the Million-MARRI-AGE GUIDE-in another column. It should be read by all.

This is one of the times we read of in the hymn, when " December's as pleasant as May."
